Student Study Assignment

Prior to class students will read the Extension/Immediate Reenlistment job aid. Groups will develop a brief back explaining their assigned Rule from Table 2 in a Role Playing scenario.

**Note:** Rules D and E are combined for one group. Groups should be assigned discretely, and every student must actively participate. At a minimum one student must be the RRNCO, the extending Soldier, and remaining group members participating as influencers (i.e., Husband/Wife, TAG, 1SG, friend). The groups must demonstrate knowledge of the complete process from disqualification to the period of extension. Groups must include everything necessary to complete the waiver including forms and the approving authority.

Motivator

Show VU #1: Title Slide

As an RRNCO your unit members rely on your expertise and knowledge in the extension process. A successful retention program will result in a healthier unit and help lower attrition losses. This task is imperative in fulfilling your three tenant mission.

Show VU #2: TLO

NOTE. Inform the students of the following Terminal Learning Objective requirements.

At the completion of this lesson, you [the student] will:

| Action | Administer the Extension / Immediate Reenlistment process for Soldiers continuing ARNG service |
| Conditions | In a classroom environment, given a RWS, NGB-ARH Policy Memorandum #09-026, DD Form 4, DA Form 4836, applicable SMOMs and Job Aid |
| Standards | Students must receive 70% or higher on a scenario-based, written examination |

Safety Requirements

In a training environment, leaders must perform a risk assessment in accordance with FM 5-19, Composite Risk Management. Leaders will complete each task and sub-task by assessing mission, enemy, terrain and weather, troops and support available-time available and civil consideration, (METT-TC).

No food or drink is allowed near or around electrical equipment (CPU, file servers, printers, projectors, etc.) due to possible electrical shock or damage to equipment. Exercise care in personal movement in and through such areas. Avoid all electrical cords and associated wiring. In the event of an electrical storm, you will be instructed to power down equipment. Everyone is responsible for safety. A thorough risk assessment must be completed prior to every mission or operation.
In the event of a tornado, or other adverse weather, designated storm shelters provide protection. In SGT Young Hall, the designated storm shelters are: all latrines and GuardX Rooms.

**Low - Power and Data Cables on the floor.**
Assessment: Power cords and data cables may cause a potential tripping hazard.
Controls: Tape or secure cables to the floor.
Leader Actions: Inspect floor prior to training. Periodically remind students to look down before they move their feet.

**Low - Food or drink near computer and electrical equipment.**
Assessment: Food or drinks may spill into electrical equipment and cause an electrical shock and damage equipment.
Controls: Do not allow food or drink around electrical or computer equipment.
Leader Actions: Inspect classroom prior to training. Identify and correct violations.

**Low - Electrical storm**
Assessment: During an electrical storm, surges of electricity can be passed through electrical equipment and can pose a hazard to equipment users.
Controls: Power down all electrical equipment.
Leader Actions: Locate fire extinguisher(s) and first aid kit(s) and ensure they are functional.

**Low - Inclement Weather**
Assessment: Tornadoes or other adverse weather can pose a huge safety risk.
Controls: In an emergency, move towards designated storm shelters.
Leader Actions: Identify storm shelters in the building and brief students.

**Environmental Considerations**

**NOTE:** Instructor should conduct a Risk Assessment to include Environmental Considerations IAW FM 3-34.5, Environmental Considerations (MCRP 4-11B), and ensure students are briefed on hazards and control measures.

Environmental protection is not just the law but the right thing to do. It is a continual process and starts with deliberate planning. Always be alert to ways to protect our environment during training and missions. In doing so, you will contribute to the sustainment of our training resources while protecting people and the environment from harmful effects. Refer to FM 3-34.5 Environmental Considerations and GTA 05-08-002 ENVIRONMENTAL-RELATED RISK ASSESSMENT. It is the responsibility of all Soldiers and DA Civilians to protect the environment from damage.

**Evaluation**
Refer student to the Individual Student Assessment Plan (ISAP).
You have been taught how to recruit and find new Soldiers for the Army National Guard, let us talk about how we keep these qualified Soldiers in the Guard.
TLO - LSA 1. **Learning Step / Activity** TLO - LSA 1. Discuss Table 2 and Table 1 from Policy Memo 09-026

*Method of Instruction:* Conference/Discussion
*Instr Type(I:S Ratio/Qty):* 79T Certified Instructor(1:25/0)
*Time of Instruction:* 1 hr 20 mins
*Instructional Strategy:* Large Group Instruction
*Media Type:* None
*Security Classification:* This course/lesson will present information that has a Security Classification of: U - Unclassified.

a. The Policy Memo has two tables that provide the rules for the extension/reenlistment process. Table 1 is Authorized periods of extension and Table 2 is Basic eligibility standards and waiver authority. These tables will give you guidance when needing information about this process.
b. You always start out in Table 2 to determine the basic eligibility standards for Soldier you are working with. We are going to discuss each rule in detail so you will have a good base knowledge of each rule.

1. **Rule A:** Not used
2. **Rule B:** Lack of eligibility for nonregular retired pay. Soldier is not qualified for retirement per AR 135-180 upon reaching age 60, but could qualify prior to reaching age 64.
   *Approval authority:* TAG up to age 62, CNGB (NGB-ARH-S) up to age 64.
   *Minimum documentation required:*
   1. Memorandum request for waiver from the unit commander through channels.
   2. DD Forms 214 and NGB Forms 22 that show all creditable service and a current NGB Form 23 (Retirement Point Accounting System (RPAS) Statement).

   **NOTE:** Ask this question to check the student’s knowledge:
   Why would a person fall into this rule?
   **Possible answers:**
   Joined at age 42 (The Guard did allow up to 42 years of age for a period of time)
   Had a break in service
   Spent time in the IRR or ING

3. **Rule C:** Disqualification: Technician retirement. Soldier employed as a Military Technician who is or is not qualified for retirement at age 60 under provisions of AR 135-180, and is not qualified for technician retirement, may be extended to the end of the month in which eligibility is gained but not for more than two years. However, Soldier cannot extend past age 64 to qualify for either retirement.
   *Approval authority:* CNGB (NGB-ARH-S) (authority is delegated to TAG when all creditable civil service has been verified by Office of Personnel Management (OPM).
   *Minimum documentation required:*
1. Memorandum request for waiver from unit commander through channels.
2. Certificate of all creditable technician and creditable Federal civil service.

4. **Rule D:** Disqualification: Body composition. Soldier is participating in a program to meet the body composition requirements of AR 600-9, and making satisfactory progress. See exceptions for deploying Soldiers in Table 1, Rule K.
   
   Approval authority: TAG, CNGB (NGB-ARH-S) for extensions that will take the Soldier past 18 qualifying years of service or for Soldiers over 18 but less than 20 qualifying years of service for retirement at age 60.

   Minimum documentation required:
   
   1. Memorandum request for waiver from unit commander through channels.
   2. Weight control file.
   3. DA Form 268.

5. **Rule E:** Disqualification: APFT. Soldier otherwise eligible, but failed to take or pass the latest APFT within 18 months of ETS (8 months for AGR Soldiers). See exceptions for deploying Soldiers in Table 1, Rule J.
   
   Approval authority: TAG

   Minimum documentation required:
   
   1. Memorandum request for waiver from unit commander through channels.
   2. APFT score cards.
   3. DA Form 268.

6. **Rule F:** Disqualification: Age. Soldiers who are or are not qualified for retirement at age 60 per AR 135-180 may be extended for one year due to mission essential requirements, but not past age 64.
   
   Approval authority: TAG up to age 62, CNGB (NGB-ARH-S) up to age 64.

   Minimum documentation required:
   
   Commander memorandum justifying why this individual is essential to the mission and that there is no other individual who can perform that Soldier’s duties.

7. **Rule G:** Disqualification: Physical examination. The Soldier does not have a current periodic health assessment or does not meet medical retention standards. Individuals with at least 18 but less than 20 qualifying years of service for retirement will not be involuntarily discharged without Chief, NGB approval. However, Soldiers who fail or refuse to complete a physical examination per DA Pam 40-501 (Hearing Conservation Program), paragraph 8-20 may be placed in the ING until they complete the required examination.
   
   Approval authority: CNGB (NGB-ARH-S)

   c. After you find out if the Soldier was qualified or disqualified, then processed the necessary paperwork and got the waiver approved you have to determine how long the Soldier can extend for. To do this, you have to now go to Table 1, which is Authorized Periods of Extension. We will now look at the rules included in Table 1.

   1. **Rule A:** Applies to: Soldiers fully eligible, including those with approved waivers of disqualification.
Period: 1, 2, 3, 4, 5, or 6 years.

2. **Rule B**: Applies to: Soldiers eligible for a retention or other bonus per current bonus policies as published by NGB-EDU and/or NGR 600-7. Period: Soldiers eligible for a retention bonus or other monetary incentive may reenlist only for the period authorized for bonuses per current bonus policies published by NGB-EDU and/or NGR 600-7.

3. **Rule C**: Applies to: Soldiers with less than one year remaining before age 60. Period: Up to one year, but not past the last day of the month in which the Soldier reaches the age of 60.

4. **Rule D**: Applies to: Soldiers enlisted as non-prior service (NPS) under one of the enlistment options for completing their Selected Reserve obligations per paragraph 4 (i.e.: 3x5, 4x4, 6x2, 8x0), or Try One in the Guard, with a remaining obligation and who desire to continue in an active status. Period: 1, 2, 3, 4, 5, or 6 years.

5. **Rule E**: Applies to: Soldiers enlisted under Try One in the Guard who do not have a remaining obligation. Period: 1, 2, 3, 4, 5, or 6 years.

6. **Rule F**: Applies to: Soldiers who must or who desire to extend to:
   1. Attend training that requires a period of remaining service.
   2. Enroll in the Simultaneous Membership Program (SMP).
   3. Enter on or extend a tour of active duty or full-time National Guard duty including AGR.
   4. Participate in a State education assistance program.
   5. Qualify for the Montgomery GI Bill and/or SLRP.
   6. Satisfy a remaining service requirement upon transfer from the ING to active status.
   7. Satisfy a remaining service requirement for promotion per AR 600-8-19.
   8. Qualify for a program, benefit or entitlement (except for monetary benefits under the SRIP) which requires a minimum period of remaining service.
   9. Allow publication of Qualitative Retention Board results, and the review and appeals process per AR 135-205, chapter 2, when the Soldier is not selected for retention.

   Period: Any period up to six years that will satisfy the requirement. Extensions are authorized at any time during the current enlistment.

   **NOTE**: Make sure the students understand per the current FY 2013 SRIP that a Soldier can no longer extend at any time to receive the SLRP listed in number 5.

   Reference: FY 2013 SRIP 17 a (10) (b)

7. **Rule G**: Applies to: Soldiers who request transfer to the ING who do not have a contractual obligation for ARNG/ARNGUS service. Period: Extensions as authorized in Rule A.

8. **Rule H**: Applies to: Soldiers in the ING who do not have a contractual obligation for ARNG service and who desire to remain in the ING or return to the active ARNG.
Period: Extensions as authorized in Rule A.

9. **Rule I**: Applies to: Soldiers retained beyond ETS (see paragraph 7).
   Period: TAG based on recommendation of the Military Personnel Management Office (MPMO) and unit commander if a unit level action.

10. **Rule J**: Applies to: Soldiers otherwise eligible to extend or immediately reenlist, but who failed to take or pass last APFT within 18 months before ETS.
    Period: Whole months, but not to exceed a total of six months, if waiver to extend is approved by TAG (as delegated to MPMO) for non-deploying Soldiers.
    A one-year extension is authorized if the Soldier is on a temporary profile which will preclude taking the APFT within six months. The first Colonel (O-6) in the chain of command may approve a waiver for Soldiers assigned to units who are alerted for Mobilization and Deployment may be voluntarily extended for the minimum number of whole months and days to complete the duration of the expected mobilization, plus 90- Days or 12 months ( whichever is greater) with no further extensions authorized unless a valid APFT is taken and passed prior to the expiration term of service based on this extension.

11. **Rule K**: Applies to: Soldiers in the Army Weight Control Program who are making satisfactory progress to meet the body composition requirements of AR 600-9.
    Period: Whole months, but not to exceed a total of 12 months, unless waiver to extend is approved by TAG for nondeploying Soldiers. For Soldiers with at least 18 but fewer than 20 qualifying years of service for nonregular retired pay at age 60, TAGs (as delegated to MPMO) may authorize extension in whole months for the minimum time required to complete 20 qualifying years.
    The first Colonel (O-6) in the chain of command may approve a waiver for Soldiers assigned to units who are alerted for Mobilization and Deployment may be voluntarily extended for the minimum number of whole months and days to complete the duration of the expected mobilization, plus 90-Days or 12 months ( whichever is greater) with no further extensions authorized unless the Soldier satisfactorily meets all standards of the provision cited in AR 600-9 with regard to height and weight prior to the expiration term of service based on this extension.

12. **Rule L**: Applies to: Soldiers who are not US citizens. The requirement to obtain US Citizenship within 8 years of service is hereby rescinded per Army ALARACT message 088-2005. As long as the applicant or Prior Service Soldier is a US Citizen or a lawfully permanent resident alien and is otherwise qualified; they may enlist or reenlist without constraint.
    Period: As specified in Rule A.

**NOTE**: Make sure the students know that the Rule listed in Table 1 is the rule that goes in Block 8 of the DA Form 4836.

Check on Learning:

Question: Who is the approving authority for a Soldier who
is making satisfactory progress in the Army Weight Control Program with 8 yrs time in service?

Answer: TAG

Reference: Policy Memo 09-026 Table 2 Rule D

Question: If a Soldier is 2 years away from their ETS and they want to extend to participate in a State education assistance program, when can they extend?

Answer: Any period up to six years that will satisfy the requirement.

Reference: Policy Memo 09-026 Table 1 Rule F

Question: If a Soldier is on a temporary profile for a period of 10 months, and has not passed the APFT, how long can the Soldier extend for with a waiver?

Answer: 1 year

Reference: Policy Memo 09-026 Table 2 Rule E and Table 1 Rule J

Review Summary: The Policy Memo has two tables that provide the rules for the extension/reenlistment process. Table 1 is Authorized periods of extension and Table 2 is Basic eligibility standards and waiver authority. These tables will give you guidance when needing information about this process.

NOTE: Follow Table 3 of the NGB-ARH Policy Memorandum # 09-026 and explain how to fill out a DA Form 4836 block by block.

NOTE: There will be a discrepancy with the Policy Memorandum and the new DA Form 4836. The Policy Memorandum supersedes the form. Discrepancies are as follows:

Block 1: Army National Guard and Reserve of the Army should be checked even if AGR.
Block 2: The Form calls for the middle initial and the Policy Memorandum says full middle name.
Block 3: The DA Form 4836 does not have the social security number, but the Policy Memorandum references it.
Check on Learning: **Show VU #3: 4836 Scenario**

Based on the power point scenario, students must be able to fill out the DA Form 4836 with 100% accuracy.

Review Summary: Accuracy is extremely important, mistakes waste time and could cost you a recruit. Always double check your work.

**Question:** When do you add the Inclusive Date?

**Answer:** When calculating a period of time using a known start date and a known end date, 1 day must be added back in to the calculation.

**Ref. Job Aide Rule #3 page 27.**

---

**Review Summary:**

Understanding how to apply the rules for computations is very important for you to know. You don't want to make a mistake that would cost a Soldier his/her desire for an extension or reenlistment.
