

You are a newly assigned RRNCO. Your NCOIC has asked you to provide him/her with your Area Canvassing plan. Your NCOIC said your report must include the following:

1. Detailed data of your assigned zip code
2. Detailed Area Canvassing Strategy
3. Explain methods for conducting follow up
4. Plan of action for documentation

Your NCOIC wants the report in APA format and it must be two-four pages in length, including opening and closing. Reference work will be cited on a separate page. Your NCOIC said you have three days to complete the report.
