MEMORANDUM FOR NG J1 RRF (All-Entire RRF)

SUBJECT: SMOM 17-005, RRNCO Enhanced Systems Training for Optimal Recruiting Effectiveness (RESTORE) Workshop

1. The ARNG-HRR-S Training, Development and Support Team will be hosting a RRNCO Enhanced Systems Training for Optimal Recruiting Effectiveness (RESTORE) Workshop from 7-10 Nov16. This RESTORE Workshop hours will be 0900-1700 each day with after-hours lab time as needed. Travel Days will be Sunday, 6 Nov 16 and Friday, 11 Nov 16.

2. The RESTORE Workshop is designed for SQI-4 trained and experienced RRNCOs who may:

a. Be struggling to produce.

b. Need to learn new and innovative ways to increase performance, production and efficiency.

c. Require enhanced training in automated recruiting applications (ARISS).

d. Need to improve skills in order to use the system to better analyze markets, territories, schools, demographics, and prospect and process more efficiently and effectively.

3. Scope: The RESTORE Workshop is a high-energy, interactive training event designed for active RRNCOs. The training will enhance their SQI4 foundational training, sharpen skills in using "The System," instruct how to leverage automated recruiting principles to increase efficiency, and effectiveness while operating in optimal markets.

4. Design: The RESTORE Workshop is interactive with situational, practical, and group exercises, designed to help RRNCOs "Think INSIDE the box"; using web-based applications more efficiently and effectively in order to make mission. The RESTORE Workshop curriculum is fully congruent with, and builds upon all training offered at SMTC SQI4 and Conversion Courses.

5. Prerequisites: Students must meet the following criteria:

a. Must be a successful graduate of SQI4 course (no NON SQI4 ADOS).
