SUBJECT: SMOM 17-034, 3D Region/Company Leadership Workshop (3D RCLW) May 2017

1. The ARNG-HRR-Systems Branch Training, Development and Support Team is hosting the 3D Region/Company Leadership Classroom Training Workshop at Fort Knox, Kentucky from 8-12 May 2017. This training is an in-house, three-day classroom event.
2. This workshop is designed for Company Leadership. All attendees need to be in a 3 digit RSID (IE: AK3, TX1 - 2 Letters and a Number), Leads (Region Commander role), GCR (Region Commander role), ERM, and have RMZ access to participate in the training. (See your state automation to verify the RSID and RMZ Access)
3. In the same way a 3D television conveys depth perception to the viewer, the 3D Region/Company Leadership Workshop (3D RCLW) teaches the Region/Company Leadership Team to experience the same depth perception within their organization. This workshop, using hands-on instruction, teaches students how to use all assigned automated recruiting applications to extract data, perform in-depth data analysis, and most importantly, make key leadership, training and production decisions that will improve efficiency and effectiveness and increase performance and production.
4. This class fills very quickly and is limited to the first 32 students, therefore RSVP ASAP! To reserve a seat, please click on the link (usarmy.knox.ngb.list.arng-gss-asb-it-team@mail.mil) for your Outlook to open, and then email your RSID, rank, name, email, and cell phone number.
