MEMORANDUM FOR NG J1 RRF (All-Entire RRF)

SUBJECT: SMOM 18-076, 3D Region/Company Leadership Workshop (3D RCLW)
October 2018

1. The ARNG-HRR-Systems Branch Training, Development and Support Team is hosting the 3D Region/Company Leadership Classroom Training Workshop at Fort Knox, Kentucky from 1-5 October 2018. This training is an in-house, three-day classroom event.
2. This workshop is designed for Company Leadership. All attendees need to be in a 3 digit RSID (IE: AK3, TX1 - 2 Letters and a Number), Leads (Region Commander role), GCR (Region Commander role), ERM, and have RMZ access to participate in the training. (See your state automation to verify the RSID and RMZ Access)
3. In the same way a 3D television conveys depth perception to the viewer, the 3D Region/Company Leadership Workshop (3D RCLW) teaches the Region/Company Leadership Team to experience the same depth perception within their organization. This workshop, using hands-on instruction, teaches students how to use all assigned automated recruiting applications to extract data, perform in-depth data analysis, and most importantly, make key leadership, training and production decisions that will improve efficiency and effectiveness and increase performance and production.
4. This class fills very quickly and is limited to the first 32 students, therefore RSVP ASAP! To reserve a seat, please click on the link (usarmy.knox.ngb.list.arng-gss-asb-it-team@mail.mil) for your Outlook to open, and then email your RSID, rank, name, email, and cell phone number. We will contact you soon thereafter.
5. Reserving a seat does NOT mean that the student is approved and registered to attend. The student must submit a completed registration packet and approval letter signed by the state's RRB Commander before any student is fully registered to attend.
6. Please note that the Systems Branch will NOT be arranging for blocks of hotel rooms for State personnel, once you have been registered, please see welcome packet for lodging information.
7. Point of contact is Mr. Ronnie Mitchum at (502) 626-4361, or ronnie.l.mitchum2.civ@mail.mil. You may also contact the Training Team's Lead for this training event, Mr. Jason Gallimore at (502) 626-2416.
